Chapter 1 by Baconator

My team was called the Blazers we were going for a championship. We were versing the Hawks they were two wins better than us. If you expected they were winning you are right there was fifty three seconds left and the Hawks were winning by 17 if we won it would be the greatest comeback in history! I didn't think we could win but we still had a chance Andre went past the free throw line and shot a fade away shot. "Swish" I said we were down 15 and there was forty three seconds left. Demarcus got hurt so I was in I was the best player on my team but I wasn't that good under pressure.
